The Indian's Curse, or Black Tongue.
An old time tale of the White Mountains.
By MARK TAPLEY.

Among the numerous legends of the olden times, no other is so often repeated as that of the "Black Tongue." It is a story of a man who was cursed by a witch, and his descendants were doomed to a life of poverty and suffering. The story is told in a simple, straightforward manner, and is a good example of the old-time tales of the White Mountains.
